TOWN WARRANT

THE STATE OF NEW HAMPSHIRE

To the inhabitants of the Town of Hollis in the County of Hillsborough in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at Town Hall in said Hollis on Tuesday, the thirteenth day of March, next at nine of the clock in the forenoon, to act upon the following subjects:

Polls will open from 9 A. M. to 6 P. M.

1. To choose all necessary Town Officers for the year ensuing.

2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.

3. To hear the reports of the Selectmen and other Town Officers and Committees.

4. To see if the Town will vote to authorize the Treasurer under order of the Selectmen to borrow money in anticipation of taxes.

5. To see if the Town will vote to accept State Aid for the construction of Class V roads and appropriate the sum of $898.39.

6. To see if the Town will vote to authorize the Selectmen to distribute blank inventories at the time of appraisal.

7. To see if the Town will vote to allow 2% discount on taxes paid before August 1st 1951 and assess fines of twenty cents on all poll taxes not paid by September 1st 1951.

8. To see if the Town will vote to accept the budget as submitted by the Budget Committee.

9. To see if the Town will vote to transfer funds from the present map fund in order to complete aerial map and town map.

10. To see if the Town will vote to have the Selectmen appoint a Town Forester.

11. To see if the Town will instruct the Selectmen, under the advice of the State Forester, and with the assistance of our County Forester, to spot cut and follow any other approved forestry practice to improve the stand of lumber in Spaulding Park and other wood lots owned by the Town.

12. To see if the Town will raise and appropriate the sum of $300.00 for Civilian Defense purposes or act anything in relation thereto.

13. To see if the Town will vote to appropriate $150.00 for the Library's use to obtain a safe for proper safe storage of any historical and valuable papers and books they now have or may get.

14. To see if the Town will vote to have street lights installed on Flint's Pond Drive.

15. To see if the Town will vote to have street lights in operation full time at Silver Lake instead of three months each year as at present.

16. To see if the Town will vote to raise and appropriate the sum of $400.00 for the Control of the White Pine Blister rust, in cooperation with the State Forestry and Recreation Departments.

17. To see if the Town will vote to instruct the Selectmen to have the horse sheds, at the rear of the Library, removed.

18. To transact any other business that may legally come before this meeting.

Given under our hands and seal, this nineteenth day of February, in the year of our Lord nineteen hundred and fifty-one.

CLARENCE L. HOWE
WOODBURY D. BELL
ROSCOE L. BROWN

HEALTH OFFICER'S REPORT

Very few cases of contagious diseases were reported this year. On the whole this has been a most satisfactory year in the Health Department. Lets keep up the good work. Be sure and report all cases of any contagious disease immediately so that the necessary precautions may be taken.

Lets continue to be careful about the contamination of our water supply as continued tests show that the water in our town is very high in calcium chlorides, especially in the center of the town. Be careful about fertilizing around wells used for drinking purposes.

Should an emergency or disaster occur within our town, please be extremely careful about your water and food supplies.

We urge you once more NOT to use the side of the highway for the disposal of refuse of any kind. It is against the law and you may be prosecuted.

There can be no better advertisement for our community than to keep it clean and healthy.

Healthfully yours,

ERVING R. SIMONDS

Health Officer

State Department of Health

Concord, N. H.

FIRE CHIEF'S REPORT

The fire record for 1950 shows a total of 27 fire calls, and 2 calls for water rescue, one of which required dragging operations.

There were 5 building fires, only one of which resulted in a total loss, also 7 chimney fires, 3 dump fires, 2 flooded oil burners and 10 brush and grass fires. A total of 265 burning permits were given.

The trailer pump was sold by means of sealed bids. The money received was used to buy a small pump that can be handled by two men, giving us a chance to use small water supplies such as wells and shallow brooks.

May I make an earnest plea to all persons, not having firemen or policemen in their homes, not to use their telephones, unless needed, for approximately five minutes after the fire siren blows. This gives the telephone operators and the fire department personnel a chance to make the necessary calls in a short time without bothersome interference.

Also cars and trucks having sirens or flashing red lights must be given an immediate right of way on the road.

Then, at or near a fire, will everyone park their cars so there will always be a clear road to or from a fire area.

The above suggestions, added to the excellent cooperation we already get, will help us maintain our low loss fire record.

WARREN H. TOWNE

Fire Chief

REPORT OF THE BUILDING COMMITTEE FOR THE NEW FIRE HOUSE

The building committee for the Firehouse submit the final report.

The original appropriation asked for and granted was $18,000. After the bids were opened it was decided to borrow only $14,500. which with the $3,000. in capital reserve gave us a fund of $17,-500. This was paid out as follows:

L. E. Martel & Son, construction	$ 15,355.00
Tracy & Hildreth, architects	921.31
W. H. Towne, door keys	7.20
Spaulding Metal Works, bronze letters	28.00
D. F. Shea, paint, etc.	108.40
Pepperell Plumbing & Heating Co., heat, water, etc.	1,076.25
	$ 17,496.16
E. H. Stratton, Insurance	199.96
	$ 17,696.12

The firemen gave considerable time painting, cleaning, grading and equipping the building. A dedication was held in May.

The use of the building has shown its worth in the better care and handling of the equipment.

The meeting room is being used more and more by other town services.

Committee

PLANNING BOARD

The Hollis Planning Board submits its report for 1950 and its suggestions.

The large project for the year is the progress made on the Zoning map to be used in revising the Zoning laws. In accordance with suggestions of the State Board, we have completed a map showing the location and type of each building in town with the occupant's name. We wish to thank Elmer Neary and Clarence Cudworth for their assistance to the Board on this. When these maps are ready they may be purchased by the public and orders should be placed with Edna Hill. The State Board has sent a representative to Hollis to go over the Community and this map for zoning suggestions. From their suggestions, based on experience elsewhere, legal requirements, and our local recommendations, we expect to have the revised zoning laws ready within sixty days.

We joined the newly organized N. H. Planning & Zoning Ass'n. which gives our town an opportunity to exchange problems and solutions in these matters with other communities.

We suggest that immediate consideration be given to painting the upper town hall and corridors, and that consideration be given in the near future to the painting of the exterior. These suggestions are made to not only maintain the building from excessive wear and depreciation but also to maintain the appearance of our principal town building.

We suggest that the fees for the use of the town hall be revised in accordance with proper present day costs, and that all bills and payments for the use of the hall go through the Town Treasurer's office. We suggest that a candidate be sought for a full time and permanent janitor who will divide his time between the Town Hall, the School, the Library and the Church, with each paying a proportionate share.

We suggest that the Tree Committee be activated by appointing the Town Tree Warden as chairman and requesting the organizations in town to appoint or reappoint their committee member to continue the tree planting tree care and replacement program.

We have made progress in locating the owners of the horse sheds behind the library and hope to have the sheds torn down within a short time.

We recommend that street signs be made and erected in town.

We appreciate constructive criticism and suggestions at any time.

Respectfully submitted,

H. CLIFFORD MANNING,
Chairman

ANNUAL REPORT

OF THE

OFFICERS

OF THE

SCHOOL DISTRICT

FOR THE YEAR ENDING

JUNE 30, 1950

SCHOOL WARRANT

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School district in the town of Hollis, New Hampshire, qualified to vote in district affairs:

You are hereby notified to meet at the Upper Town Hall in said district on the 9th day of March 1951, at 8 o'clock in the afternoon, to act upon the following subjects:

1. To choose a Moderator for the coming year.

2. To choose a Clerk for the ensuing year.

3. To choose a Member of the School Board for the ensuing three years.

4. To choose a Treasurer for the ensuing year.

5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agents of the district.

6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.

7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.

8. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state equalization fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town. (Items 1-19 of Budget)

9. To see how much money the district will raise and appropriate for special repairs, alterations, insurance and new equipment. (Items 20-23 of Budget)

10. To see if the district will vote to raise and appropriate the sum of $3,000.00, to be paid into the Capital Reserve Fund for the purpose of new school building or the remodeling of the present building. (Item 24 of Budget)

11. To see if the district will vote to raise and appropriate the sum of $2,174.85, necessary to grant the request of the regular teachers for an increase of $200.00 each in their salaries for the present year (1950-1951) in order to compensate for the increased cost of living since contracts were signed,—increases to be retroactive to September 1950 and to pay the additional Retirement allowances. (See last item of Budget)

12. To see if the district will consider the formation of a Cooperative School District with Amherst, Brookline and New Boston for Grades 7-12 inclusive.

13. If the preceding article is not adopted by Amherst, Brookline and New Boston districts, to see if the district will vote to build and equip a new elementary school consisting of six regular classrooms with adequate sanitary, service, and administrative facilities, provide the necessary equipment and furnishings, and to acquire any real property that may be necessary for the proper location of such a school and take any other action relating thereto.

14. If the preceding article is adopted, to see what sum the district will vote to raise and appropriate for the construction, equipment and furnishings for such new elementary school and the acquisition of any real property that may be necessary for its location; and whether the district will vote to authorize the issue of serial notes or bonds upon the credit of the district for all or any portion of the sum so raised and appropriated; and to authorize the school board to determine the terms and conditions upon which the notes or bonds shall be issued including their sale, the time and place of payment of principal in accordance with the municipal bond statute, N. H. Revised Laws Chapter 72 as amended by Laws of 1951.

15. If the district has adopted the article for a new elementary school, to see if the district will vote to appoint a building committee to consist of the school board and two persons to be appointed by the moderator to select the location of the school and to supervise the construction of said building, provided that the plans, specifications and selection of the site for the new school shall be approved by the school board acting alone as required by law and the school board be further authorized to execute any and all contracts or agreements necessary in connection with the construction of said school.

16. If Article 12 is not adopted by Amherst, Brookline, New Boston and Hollis districts and if Article 13, 14, and 15 are not adopted, to see what action the district will take in providing six additional regular and special classrooms with adequate sanitary, service, and administrative facilities, make the necessary alterations to the existing village school building, provide the equipment and furnishings for the same and take any other action pertinent thereto.

17. If the preceding article is adopted to see what sum the district will raise and appropriate for the enlargement and renovation of the present village school building; and whether the district will vote to authorize the issue of serial notes or bonds upon the credit of the district for all or any portion of the sum so raised and appropriated; and to authorize the school board to determine the terms and conditions upon which the notes or bonds shall be issued including their sale, the time and place of payment of principal, in accordance with the municipal bond statute, N. H. Revised Laws Chapter 72 as amended by Laws of 1951.

18. If the district has adopted the article to remodel the present village school, to see if the district will vote to appoint a building committee to consist of the school board and two persons to be appointed by the moderator to supervise the construction of six additional regular and special classrooms with adequate sanitary, service, and administrative facilities and make the necessary alterations to the existing village school building, provide the equipment and furnishings and the school board be further authorized to execute any and all contracts or agreements necessary in connection with construction, remodeling and renovation of said school.

19. To see if the district will authorize the school board to make application for and to receive, in the name of the district, such advances, grants in aid or other funds for educational purposes, as may now or hereafter be forthcoming from the United States government or any state or private agency.

20. If either article 14 or 17 is adopted, to see if the district will vote to use the capital reserve funds as previously voted and to authorize the Trustees of Trust Funds to pay over these accumulated funds to the school board as agents of the school district to be used in the construction of a new school building or the remodeling of the present building.

21. To transact any other business which may legally come before said meeting.

Given under our hands at said Hollis, N. H., this 6th day of February, 1951.

DENTON V. LATES

School Board

THE SUPERINTENDENT OF SCHOOLS

INSTRUCTION

Since the teacher is the most important factor in the classroom and nearly three-quarters of the budget is earmarked for Instruction, we must pause to discuss a few items under this head.

First, the flow of teachers in and out of this system is a handicap. Try as I may I cannot seem to overcome it. Since the close of the last school year, four teachers have left their positions here. One left for marriage, one retired, two for other reasons. In addition two new positions were created and new teachers employed to fill them.

FORMER TEACHER	REPLACEMENT
Mrs. Helen Denault	Stella Contogogou
Mrs. Shirley Greenleaf	Henry Bremner
Lucinda F. Read	Mrs. Mary Perham
Mrs Gracie Warren	Mrs. Myrtie Kullgren

Retirement claims one of your veteran teachers, one who has devoted her entire professional career to the children of Hollis. There aren't many who can claim this distinction. So now we pay tribute to Miss Lucinda Read as she reaches the ranks of "Emeritus." Her career has been noteworthy; her retirement well earned. I hope that good health will reward her with many years of enjoyment.

Second, I wish to mention briefly only a few of the instructional fields to acquaint you with our aims or some of the changes being made. Reading is still our most important subject. Without the ability to read and interpret the printed page, the child's training is very incomplete. Neither teacher nor parent is satisfied with less. Therefore, we still lay great emphasis on this ability. The basic reading series used is the Row, Peterson and is one of the best now available. Its use of phonics in the teaching of word recognition is according to the best practices of good teachers. Handwriting has suffered from the lack of emphasis. For the past three years we have been starting a new system called Basic Handwriting which is manuscript in Grades 1 and 2 with the transfer to Cursive in Grade 3. The results so far in the grades effected have been gratifying. Letter formations are much better with the resulting improvement in legibility. Audio-Visual aids of all kinds have received greater attention of late, particularly in film strips. All departments of the school are making use of these valuable teaching devices.

ART

This is one of the many learning experiences of the child. It is more than the mastery of a skill or a subject. We have been privileged to learn directly how the good art teacher can help shape this learning experience to more desirable results. Mrs. Ostertag has made it possible for us to realize these values. That is why we are advocating an extension of art instruction and the school board is including money for it in the budget. Up to now we have enjoyed art work because of the generosity of an interested citizen.

HEALTH

We are rather proud of the completeness of our Health Program. To comment at length would be boring. However, let me call your attention to some of the features. Every child is given a health examination by the doctor and nurse. Possibly a more complete examination four to six times during his course would be preferable. Sight testing goes on in all grades, with Snellen charts and Telebinocular, hearing tests with audiometers in Grades 3, 5, 7, 9 and 12. Weighing and measuring and skin examinations are going on throughout the year. All this with home visits and the corrections secured makes for better attendance. Dental and other clinics are either carried on or sponsored by local organizations.

Noon lunches are recognized as a part of the Health Program. They get a very nutritious and tasty lunch for a small fee.

Next year a Supervisory Union Nursing Organization is to be set up. It is our belief that the results will be even better than those we have experienced in the past mainly because of more time devoted to the service.

FINANCE

TRANSPORTATION

This occupies a substantial place in the budget. There are some 86 children to be carried. They are only elementary pupils. We feel that today it is as essential to educate the high school people as it used to be to graduate the eighth grader. Therefore, both high and elementary pupils should be transported at district expense. For those carried the cost is some $64 per pupil.

COSTS, 1949-50

The average per pupil costs of Current Expenses may be of interest to you. Expenditures for transportation and tuition were excluded in making these computations for this Union. Capital Outlay is not included in Current Expenses.

	Grades 1-8		Grades 9-12
Amherst	$120.66		$326.52
Brookline	83.32	(1-6 only)	Grades 7-12 in Nashua
Hollis	109.52		235.96
Milford	120.53		250.47
Mont Vernon	192.82	(1-6 only)	Grades 7-12 in Milford
State Average	152.60		252.04

Since overhead is spread over a small or a large enrollment, the figures vary from town to town and the larger the town the more nearly it approaches the State Average. Tuition rates in Amherst and Milford for 1951-52 have been established at $120 each for Grades 1-8 and $250 and $225 respectively for Grades 9-12.

STATE AID

Whether we are to get more state aid or not is now under discussion in the General Court. Since the real estate tax is not adequate to finance the school and other local departments, we must seek the broader base of state support. State aid must be provided to equalize the costs of education wherever the children are found. The inequality of dollar support from town to town borders upon discrimination and the state, whose responsibility education is, must attempt an adjustment.

NEEDS

As I see it, the principal need is for more space. The first grade is now in the Town Hall in temporary quarters and the fifth grade is divided between two teachers who already have the fourth and sixth grades respectively. That means at least two more rooms to allow a single grade and some 25 pupils per teacher. Already the high school needs larger laboratory facilities and could use another classroom. As larger classes approach the secondary level this need is going to be more apparent and could easily mean more rooms depending upon the improvement of the curriculum offered.

MY JOB

Everyone knows the functions of the sheriff, the judge, the selectmen. But who knows about the superintendent of schools! His duties are as varied as the opinions of people may be. Everything that pertains to children is his business and then some. The state board has listed a few of his duties, school boards add to the list. I am not complaining but I sometimes wonder if people realize the magnitude of this job. I have often been told how easy they think it is. Just to touch upon the larger phases of the work: I have credit for 637 teacher visits during the 180 days of school last year, for 70 school board meetings (practically all at night) attended in 12 months. In addition, I have attended various Conferences and meetings — all to keep abreast of the changes in school administration and supervision. I can never forget the hours involved nor the distances covered in order to locate teacher replacements. Then I must spend sufficient time in the office to keep that important task operating efficiently. To summarize, I emphasize the teacher visits. the board meetings, replacements, office, and other meetings. My secretaries who have worked in other offices marvel at the number of items which pass through this office in the course of a day, a week or a year.

I do appreciate the members of this Supervisory Union. They have made great strides in pulling the loose ends together. We now act on major problems as a whole and that is a help to me.

APPRECIATIONS

The expansions you have made have helped materially. The large first grade occupies very comfortable temporary quarters — thanks to the work you have done. The resulting space which the first formerly occupied in the main building is now used by the third grade. So we now have five teachers for the first six grades in the system. You have been very good to provide modern tables and chairs for the children, portable blackboards, etc. The other expansion involves the high school and, with Miss Marshall added to the staff, we now have a better spread of subjects and a better opportunity for the Principal to perform the functions of his office.

I am very appreciative of the generosity of the benefactor of art instruction. Since the donor is anonymous, I can offer my appreciation in this manner. Certainly, our eyes have been opened to realize the values in art.

I am grateful to the Board, the teaching staff and your citizens for the interest and consideration you have shown in the progress of the schools.

I very respectfully present this my twelfth, the thirty-second in the series.

HAROLD C. BOWLEY

Superintendent of Schools

February 8, 1951

Perham, Mary (Mrs.)	Grade 3	2,300
Rideout, Pearl	Languages	2,700
Rogers, George	Principal, Math., Science	3,400

REPORT OF THE PRINCIPAL

Mr. Harold C. Bowley, Supt.

Milford ,N. H.

I herewith submit my fourth report as Headmaster and Principal of Hollis High School.

The 1950-51 school year of Hollis High School opened September 7, 1950 with a total enrollment of 31 in the Junior High and 53 in the High School. Since then the Junior High School has had two additions increasing the total to 33, while the High School has gained two and lost two. At present there are 17 pupils in Grade VII, 16 in Grade VIII, 17 in Grade IX, 9 in Grade X, 10 in Grade XI and 17 in Grade XII. Subjects offered 1950-51:

Subjects	Pupils	Subjects	Pupils
Algebra	11	Textiles & Clothing IX & X	7
General Math.	10	Family & Living XI & XII	12
Geometry	16	Home Economics Jr. High	13
French I	8	Shop Jr. High	20
Latin II	10	Geography VII	17
Junior Business	21	Science VIII	16
Civics	12	Arithmetic VII	17
Sociology	18	Arithmetic VIII	16
U. S. History	27	History VII	17
Chemistry	12	History VIII	16
English IX	17	English VII	17
English X	9	English VIII	16
English XI & XIII	27	Music, All Grades	86

Art, All Grades 86

The above subjects may be supplemented by correspondence courses from the University of Nebraska.

Our average school day is divided into five fifty minute and one sixty minute periods a day.

The School Lunch Program started October 2, 1950. Approximately 185 children are provided with lunches each day as compared with 150 of last year. Mrs. Coleman is the supervisor of the Lunch Program, making out the menus and doing the buying. Mrs. Parkhurst has charge of the kitchen with Mrs. Hills assisting.

Improvements to the Lunch Room include the renovation of the kitchen and the purchase of a new refrigerator and deep freeze unit. It is expected that the deep freeze unit will pay for itself in one year by enabling the school to receive perishable items from the govrnment that the school could not accept before.

Since the school year began Federal Aid has been decreased from nine cents a meal to seven cents a meal. It has been suggested by the State Department that the price of the meals be increased to make up the difference but this will not be done unless absolutely necessary. During the 1949-50 school year the total receipts were $5,499.38 and the total expenditures were $5,307.53.

Activities during the period from January 1950 to June 16, 1950. The month of January ended the basketball season with the girl's team again having a successful season under the coaching of Mrs. Coleman. In softball the girls played Hancock in the final game of the esason to determine the League Championship. Hancock won and Hollis had to be contented with second place. The boy's baseball team continued to show improvement and are looking forward to a much better season this year.

Bessie Adams attended Girl's State at the University of New Hampshire, and Janet Towne and Alberta Cave were chosen to attend the State Music Festival.

The Junior Promenade was held May 12, and graduation exercises during the week of June 10. The Baccalaureate Address was given by Reverend Olson Sunday, June 10, the Senior Ball was held June 14, and Graduation June 16, 1950.

The following Seniors graduated June 16, 1950: Ralph Buckley, Martin Budlong, Alberta Cave, Vera Dudley, James A. Dutton, Norma B. Jambard, Alan L. Orde, Jr., Bruce C. Reed, Roger I. Saunders, Phyllis A. Simonds, and Janet E. Towne. Of the eleven graduates, two are employed, two joined the Armed Services, and six are continuing their studies in institutions of higher learning.

Activities for the present school year from September 6, 1950 to January 1951 again began with the Senior Play. "Mother is a Freshman," a comedy, was well coached by Miss Rideout and was supported by a record-breaking audience. Boy's and Girl's basketball began December 2nd and up to the present date the Girl's team is undefeated and leading the League. Miss Marshall, the girl's coach is to be congratulated on her work with the girl's team this year. Besides the varsity teams the athletic program has been extended to include the boys and girls in grades seven and eight, and the boys in grades five and six. Robert Hanson has been coaching the fifth and sixth grade boys.

Hollis received invitations from Wilton and Milford High Schools to send representatives to compete for the title of Queen of their Sno-Ball dances. By popular vote at a meeting of the Hollis High School A.C.E. Shirley Hanson and Dorothy Monroe were chosen to go to Wilton and Eleanor Pauling to Milford.

Future activities for the remainder of the school year 1950-51: Basketball will end in February, then Softball and Baseball. Miss Ethelyn Edwards will present her yearly Musical Operetta. The Senior's visit to the State Legislature, the Junior Promenade, April 20, the State Music Festival May 17 & 18, and Senior Graduation June 13.

The following pupils were neither absent nor tardy during the school year 1949-50:

Elementary: Patricia Hebart, Russell Covey, Brenda Allen, Richard Lates, Janice Lund, Marilyn Glover, Joan Hyde, and Nancy Therrien.

Junior High: Arthur Durant, Joyce Allen, Evelyn Brown, Richard Coleman, Robert Cudworth and William Newcombe.

High School: Martin Budlong, Vera Dudley, Constance Smith, and Norman Smith.

The following have been neither absent nor tardy for the present school year up to January 5, 1951:

Elementary: Raymond Covey, Cecile Gagnon, Carolyn Lund, Virginia Morrill, George Rogers, Benjamin Sirois, Herman Stickney, Jackie Cummings, Roger Cummings, David Rood, John Seager, James Sirois, Suzanne Smith, Frank Wittemore, Sally Donnelly, Richard Bell, Randolph Chase, George Covey, Vivian Gagnon, Judith Hills, Virginia Martin, Nancy Sedlewicz, Joan Sirois, Brenda Allen, Jeanette Burtt, Edward Chamberlain, Carol Coleman, Douglas Coleman, Carolyn Larrabee, Janice Lund, Helen O'Neill, Paul Sedlewicz and Muriel Twombly.

Junior High: Carleton Johnson, James Bristol, Paul Dutton, Marilyn Glover, Joan Hyde, Peter Sedlewicz, Nancy Therien and Arthur Woods.

High School; Joyce Allen, Evelyn Brown, Naida Glover, William Lawrence, Dorothy Monroe, Peter Roberts, Bessie Adams, Donald Brown, Margaret Glover, Virginia Lund, Marion Muzzey, Mildred Slocomb and Frances Wright.

Attendance as a whole has been good but there are some absences that are not necessary. Repeated tardiness or absence is harmful as it interrupts the continuity of the pupils' work and keeps them continually behind the rest of the class. In order to help the pupil who is behind in his work, either through absence or lack of study, the school has added an extra period on Tuesdays and Thursdays from 2:30 to 3:30 P. M.

New equipment added to the school include: a new edition of "Comptons Pictured Encyclopedia," a new Liquid Duplicator which was a gift of the graduating class of 1950, a new three speed Electric Phonograph, a gift of the Glee Club, and four usable typewriters from the Veterans Administration.

I wish to express my sincere appreciation of the cooperation and help given to me this past year by the Teachers, Pupils, Townspeople, School Board and Superintendent.

Very respectfully,

GEORGE H. ROGERS

Principal

ANNUAL REPORT OF HEALTH SUPERVISION AND MEDICAL INSPECTION OF SCHOOL PUPILS

February 3, 1951

Superintendent, School Board Members, and Citizens of Hollis:

Herewith presented is the health program throughout the year.

Examinations and periodic inspections are as follows:

Number of pupils examined: 253.

	Defects	Corrections
Number showing dental defects	81	
Number showing tonsil defects	10	4
Number showing visual defects	15	8
Number showing cardiac murmur	4	
Number showing hearing defects	2	lip reading
Number showing orthopedic defects	2	undertreatment
Number showing diabetic defects	1	

Contagious diseases: Mumps 3, chicken pox 4.

Considering the number of pupils enrolled, physical findings and illnesses are very low.

In June a preschool clinic was held for those entering the first grade. Those desiring it were vaccinated and inoculated. There was a good attendance.

The well balanced hot lunch served at noon is an asset to the health of the children.

Teachers and parents are most cooperative in helping to promote the health program. This is greatly appreciated.

Respectfully submitted,

CHARLES PORTER, M. D.

HELEN J. HOUSE, R. N.
